

## **What happened at the Expert Group?**

**Wednesday 13<sup>th</sup> December 2017**

The meeting was in The Clydesdale bank in Glasgow

The Expert Group talked about Learning Disability Week 2018 and about the Learning Disability awards. Some ideas that group members suggested are going to be used in learning disability week such as the idea of a mascot for the week and T-shirt transfers.

The group were asked if any of them would like to be judges for the awards, there were a few spaces and some of the group members said that they would like to help.

Some of the group also want to nominate people for awards.

Kenny from SCLD talked about his work to help with the development of the next stage of The keys to life strategy. There was a good discussion about this and the group members thought that the ideas for the next stage were good ideas.
