

## **What happened at the Expert Group?**

**Wednesday 30<sup>th</sup> May 2018**

The meeting was in The Melting Pot in Edinburgh

The group talked about the review of learning disability and autism being included in the Mental Health Act. Catherine Evans from the independent review team who are looking at this spoke to the group about the planned review. The review will have four different groups and some people involved with the expert group are on some of the groups.

The expert group heard about the plans for the update of the keys to life strategy. Group members said it is really important to have a good strategy but it's also important to let people know.
