

## **What happened at the Expert Group?**

**Wednesday 28<sup>th</sup> November 2018**

The meeting was in The Clydesdale Bank in Glasgow

At the meeting the expert group members talked about the things that SCLD should try to find out about people's lives for the big survey that will be going out next year. These are under the themes of Living, Learning, Working and wellbeing.

The group heard a little bit about next year's learning disability week and were asked if any of them want to be judges.

The care inspectorate are writing new standards for a quality framework for care homes for people with learning disabilities. The group gave some feedback on the suggested ideas for this.
