

## **What happened at the Expert Group? Wednesday 13<sup>th</sup> November 2019**

The meeting was in The Clydesdale Bank in Glasgow.

At this meeting the group talked about self-directed support with The Alliance who are doing some research on it. The members of the group all had very different experiences. Some people have a very good life thanks to Self-Directed support. Some people are not sure if they get it at all.

The group also talked about human rights, where we get them and where we don't. This will help SCLD and The Alliance who are working together on the theme of human rights.
